## **STORY / ABOUT (Full text blocks, duplicates preserved)**

### **About RSA - Rising Stars Academy**

Building the next generation of sporting excellence in Gujarat

### **Our Story**

Rising Stars Academy (RSA) was founded with a singular vision: to create a world-class multi-sport training environment that nurtures young talent and builds champions. Located in the heart of Ahmedabad, Gujarat, we have become a beacon for aspiring athletes seeking excellence.

What began as a specialized Roller Skating coaching center has evolved into a comprehensive sports academy offering training in multiple disciplines. Our flagship Roller Skating program continues to

produce state and national-level competitors, while our expanding portfolio of sports programs serves hundreds of young athletes every year.

At RSA, we believe that sports education goes beyond physical training. We focus on character building, discipline, teamwork, and the relentless pursuit of personal excellence. Every student who walks through our doors becomes part of the RSA family.

### **Our Vision**

To inspire and nurture young athletes to reach their fullest potential — building champions in sport and character for life.

### **Our Mission**

To provide world-class sports training, promote discipline and teamwork, and create an engaging environment where every child and youth can discover their passion, develop skills, and achieve excellence both on and off the field.

### **Our Core Values**

**Excellence** — We pursue the highest standards in coaching, facilities, and student development

**Integrity** — We maintain honesty, transparency, and ethical conduct in all our dealings

**Discipline** — We instill structured routines and focused dedication in every training session

**Community** — We foster a supportive family environment where everyone grows together

### **Founder's Message**

#### **Indrajeet Sinh Gol, Founder of RSA**

"When we started RSA -Rising Stars Academy, our dream was simple: to create a place where young athletes could train with the best coaches, in the best facilities, and be part of a community that truly cares about their growth—not just as athletes, but as individuals."

"Every day, watching our students improve, win medals, and most importantly, develop confidence and character, reminds us why we do this. RSA is more than an academy—it's a family committed to excellence, passion, and perseverance."
